

# ALBERT LUI

Master's graduate from a high ranking university in the field of Human-Computer Interaction. I am a User Experience Researcher and Designer whose skills span the entire UX spectrum. My motto is "work **hard**, but be **easy** to work with."

## PORTFOLIO – [junuxd.com](http://junuxd.com)

### EDUCATION

**Master of Human-Computer Interaction and Design** 2013 – 2014  
University of Washington ( Seattle, WA )

**Bachelor of Science in Informatics, Human-Computer Interaction** 2008 – 2013  
University of Washington ( Seattle, WA )

#### Academic Honors

- Graduated Magna Cum Laude – Major GPA: 3.85
- Golden Key National Honor Society Member
- 11 Scholarship Status Inclusions: Quarterly Dean's List
- 2 High-Scholarship Awards: Annual Dean's List

### SKILLS

**User Experience** – Research (surveys, interviews, personas, ethnographies), information science (architectures, hierarchies, taxonomies), design thinking (sketches, storyboards, user flows, customer journey maps, wireframes, interactive prototypes, usability testing), and visual design (UI mockups, pixel perfect assets). Designs for web, mobile, and even physical.

**Tools** – Adobe XD, Illustrator, Photoshop, Premiere Pro, Axure, Webflow, InVision, Rhinoceros 3D, Eclipse, Arduino, MySQL

**Development** – HTML, CSS, JavaScript, Java, PHP, C++

**Soft** – Works well with others. Understands the importance of feedback and communication. Comfortable in environments with diversity and cross-functional collaboration. Proficient at articulating design work through writing and presentations.

### EXPERIENCE

**Joanna Salon & Spa** 2018  
Custom responsive website design, development, and deployment for a salon business.

**Junuxd.com** 2017  
A to Z creation of a hand-coded portfolio website from inception to launch.

**Advanced Gardening** 2016  
Research, design, and development of bespoke hydroponic and micro-irrigation systems.

**Freelance** 2015 – Present  
Website commissions. E-commerce logistics, listing, packing, shipping, and customer service.

**Strider** 2014  
HTC Sponsored Project – Worked with Yihsiu Chen, Director of User Research at HTC Creative Labs, to build a Quantified Self system aimed at helping trail runners prevent injury.

**Beacon Food Forest** 2013  
Volunteered for a community-powered urban permaculture project. Collaborated with co-founder Glenn Herlihy to create promotional material. Performed various horticultural tasks on-site.
